### *A note from Donna Martin:* Owner & Wine Maker

Welcome to Mill River Winery, a 100% woman-owned business established in 2010. This historic property is a renovated 1890's Cider Mill. All of our wines are produced and bottled on site using local grapes from our vineyard and other vineyards in Massachusetts along with grapes selected from global wine regions including select AVA regions in California, Chile, and Washington. After being shut down for over 3 months, we are thrilled and very grateful to be open again. This fall we plan to serve outdoors exclusively on our heated patio and at our firepit tables. The Mill River Walk Up Window is open Wednesday through Sunday (2 - 6pm) for wines & food items. On Thursdays we have FREE delivery of our wines & menu items to 21 towns. Time to sit back, relax and enjoy the local wine experience. Thank you so much for visiting and please know your support means the world to us.

Cheers!

*Donna*
